Is like courting a girl---you must offer the RIGHT KIND OF GOODS and keep right on calling

The fact that this eash clothing business has grown from a small infant into a lusty child from a peanut stand into the finest clothing business in southern Vermont is proof positive that we have the recipe.

We know how a clothing store should be conducted-we run it that wav.

Funny as it may seem to you this store is run for your benefit

It's a crazy notion maybe of ours but just the same its a business getting and business keeping one.

You couldn't drive a customer of ours away with a shotgun. Why?

Because, as I tell you, we put the business cart before the horse. The interest of our customer comes first. Funny, but it's so unusual a way that this store stands out as prominent as a wart on a lady's nose. We're on the job to please you.

The Football Code.

For the benefit of those who are just eginning to learn the game, the footall rules committee has decided to publish in the official book of rules the following suggestion, among others: "You may meet players, and even coaches, who will tell you that it is all right to hold or otherwise violate the rules if you do not get caught.
